"Education is a Realization, Not Acquisition" - Swami Vivekananda

Acharya Patashala PU College of Arts, Science & Commerce. Where attitude of positivism and skills of pragmatism shapes competence for professionalism.

Having understood the essence of learning the pulse of the students and the needs of our society, Prof.N.Ananthachar founded Acharya Patashala Institutions in the year 1935. Thus, emerged a centre of Education, set up exclusively by the growth in the Social, Economic and Academic sphere of influence, as testified by our growth in admissions, infrastructure, results and recognition.

We strongly believe that, 'Education should Empower'. Our team of exceptional faculties and learning resources offer comprehensive perspective to students through innovative pedagogy, value added programmes, technological assistance and above all strong value orientation.

It has been our constant endeavour to mould the working of our Institution in accordance with the growing needs and aspirations of the students.

Being a Principal of this esteemed College comes with equal responsibility as the honour. Our vision is to educate and empower the future generation.

Our earnest effort is to provide a conducive learning environment to each and every student. So, that when they pass out from this prestigious Institution, they brim with confidence and emerge as the leaders of tomorrow.

Our vision is to empower our students with adequate knowledge and skills to achieve their goals.

"Learning is not attained by chance, it must be sought for with ardor and diligence"

- Abigail Adams

My name is Navya. J. I am the student of APS College. here is my experience. The faculty of APS PU College is very supportive and very experienced. They always motivate us to attend lectures and they clear every doubt of the students and also provide guidance for career. This College always thinks first about students so that students can enhance their talents. This College creates so much opportunities for students. Also the activities organized by this college are very good and helpful for students to boost self confidence. I am so glad for I got the chance to be a part of this college.

Thanks to APS College to provide me such a great platform to realize my true potential and capability. First of all I feel proud to being part of APS College. This college is a place of learning, experience, fun, creativity, enjoyment. The faculties are very experienced and resourceful persons. They help us in all types of work relating to academics and other activities. The college has an excellent environment dan a good infrastructure. and overall my experience in this college is very good. I am always grateful to APS PU College

I've been fortunate to have some truly amazing teachers, especially in the science department. It wasn't just the science teachers who were great. Even the teachers from other streams, like commerce and arts, were supportive and friendly. The infrastructure, supportive faculty, and opportunities for extracurricular activities have truly shaped my time here. There's always room for improvement, but I am grateful for the knowledge, friendships, and personal growth that college has brought into my life.

Hello everyone my name is Bharath.R studied in "Acharya pathshala" I have taken "HEKS" combination. it is a good college...teaching also marvelous...all are experienced teachers...all care for students, College timings is also good, very experience and good teachers, Students can believe this college for securing good marks in exams. college premises have good trees and plants, teachers are very friendly to the students clarifying any doubts...here average students can also score distinction example myself..I scored 75% percentage in ssc, this college pushed me to get distinction in Puc. I got 94% in 2nd PUC.
