OUR FOUNDER

Prof. N. Ananthachar
(1910 -1976)

Prof. N. Ananthachar was born in a culturally rich family, deeply rooted in Shastras, Vedas and the Upanishads. With the ever growing quest for knowledge, he grew up to be on his own at a young age.

Teaching was an irresistible art that he had mastered. He had a burning desire to educate the illiterate and the underprivileged when formal education was meant for a chosen few during the Pre-Independence days.

Sri Ananthachar became the Founder Secretary and continued his ceaseless endeavor. A Master of Arts from Mysore University, this educationist was also versatile in being a planner, engineer, administrator, counsellor and above all, was the most sought-after person by students and parents alike.

A School that was founded in 1935 became an Institution in 1936 and grew up to a group of Institutions, under the guidance of Acharya Pathashala as a registered Association.

He was a great visionary and dedicated himself to the **"Cause of Education"**. He continued to be the Founder Secretary of the APS Educational Trust till his last breath of life.

Parents Testimonials

Narayan.S
Techie

I'm glad to share that, **APS PU College** is the best institution to study as it has well equipped infrastructure with high profile teaching staff and reasonable fee structure. The teachers were also ready to help and guide the students whenever required which helped my son **Amogh. N - PCMCs** to secure **95.7%** and **Centum in Computer Science**. I would highly recommend every upcoming PU students to get admitted here. Thanks a ton APS Fraternity.

Kiran Deshpande
Teacher

My daughter **Disha - SEPPsy** is a proud alumni of APS PU college of Arts, Science and Commerce secured **97%** and **Centum in Hindi**. I'm grateful towards the college for providing excellent coaching and academic skills which helped her to secure great marks in PU Board Examination. The teachers have helped her throughout her journey in these two crucial years of her life. I would recommend any student who is willing to gain knowledge with overall personality development to be a part of APS and enrich their child's experience as a student.

Kiran Kumar S
PR Consultant

Incredible, APS PU has always been a Student friendly College where legends like **Scientists - Dr. C.N.R. Rao, Sri Roddam Narasimha** have studied in this campus and it is a great privilege that my son **Chi. Shishir K Bharadwaj** is currently studying here in a positive learning environment. The Principal and teaching fraternity are highly knowledgeable and also they are providing career oriented add-on courses which helps student to compete in current scenario.

Finally, I would like to conclude with the quote of **Nelson Mandela - "Education is the most powerful weapon which you can use to change the world"** and the same quality education is been provided by **APS PU COLLEGE**.

Reflections of our Alumni

Disha Deshpande
SEPPsy

Our APS PU College has provided me with the best 2 years of my life, in the context of personal as well as educational growth. The faculty and staff here are highly qualified and very professional, educating the students with such eloquence and knowledge. The college not only focuses on educational growth but also renders co-curricular activities to the students that enhances their skills and personality development.

Overall, being a proud alumni of this college which has provided me with lots of opportunities to showcase my talents . I'm very thankful towards this college for playing a potent part in my life.

Amogh N
PCMCs

I would definitely recommend APS PU College if you are looking for the best platform to ace the PU and all sorts of competitive exams. Our campus is known for its pedagogy which is centered on experiential with holistic education. It is the one step solution for the all round development and fosters academic rigor.

I'm grateful to this institution for grooming my academic growth which helped me to score outstanding percentage in my II PU Board Exams.

Shishir K Bharadwaj
SEBA

My personal experience in current academic year spent at APS PU is been amazing and fruitful I admire the way our Principal and Vice Principal encourage us to participate in various events and competitions.

I personally like representing the institution I love the teaching methods adopted by teachers which helps us to understand the academic topics. I feel joyful studying in our college and would love to progress in my academic excellence to reach the zenith.
